

DARC SUNDAY NIGHT NET CONTROL PREAMBLE FORMAT

Good evening, this is: <callsign>, my name is <name of net control> opening the Dixie Amateur Radio Club Sunday evening net.

This net is conducted every Sunday evening at 8:00 PM local time for the purpose of handling traffic, making announcements, selling or trading ham related items and to get acquainted with call signs and fellow hams.

The Dixie Amateur Radio Club meets the third Wednesday of every month, except December at 7:00 PM at the St. George Community Building located behind the Gayle M. & Mary Aldred Senior Citizens Center, 245 North 200 West, St. George, Utah. Please see our club website (www.dixieham.org) for details about the upcoming meeting and a map to the location and also listen to this net for further information. There is a VE session before each meeting in the same location beginning at 5:30 PM.

Emergency traffic may be indicated by a triple break and will be accepted at any time. This is a directed net. Please do not transmit unless directed to do so by the net control station. You may be placed on the roll by checking in three times a month and remain on the roll by checking in at least two times every calendar month.

Any station with traffic or news for the net, please check in now.

Unless otherwise directed by net control, all stations will please remain on frequency until all traffic has been listed and assigned.

First – do we have any internet protocol check ins? Members or guests – Echolink, please check in now.

The following is roll call.....

Any late or missed member check ins on the Utah Hill 145.49 repeater please call now.....

Any late or missed member check ins on the Webb Hill 146.64 repeater please call now.....
