Clayton Ramsay	Board Member
Harold Wells	Secretary

Guests:

Meeting called to order: 7:00 p.m.

Keisha met a 12 year old boy from Colorado at the Ham Fest at Ruby's Inn. He told her he would like to come to St. George and do a presentation. She will contact him for further details.

It is time to start forming our nominating committee to be ready for nominations in October. Several names were discussed and board members are to visit with them to see if they would be on the committee.

Keisha would like to start a face book page for the DARC. She thinks it would bring more of the younger generation into the club. The board discussed it and decided that she should put something together so we can look at it.

It was brought up that we should do a booth for the gun show that will be in town in February. Keisha is going to get more information on this project.

Meeting adjourned at 8:45 p.m.
