Meeting called to order: 7:00 p.m.

The board listened to a presentation from a company in California that contacted us about earning money for nonprofit organizations. It was a program that we would have to subscribe to and they would provide ways for us to receive donations. The subscription price is \$60.00 a month or \$720.00 a year.

The board discussed this program after talking to the representative and decided that the risk was too great to spend our money on a subscription like this.

There are three names on the ballot so far. Brady Macpherson, James Moore and Keith Lovett. Nominations will be open again at our club meeting in November.

Meeting was adjourned at: 8:45 p.m.
