

## Board Meeting 7/5/2018

1. 7:02 PM Attending Debbie, Justin, Harold, Lyn and Bob plus Jeff Porter as a guest.
2. We had a good discussion about Field Day. Harold wondered if we should get some Lap Tops and cables for next year's Field Day.
3. We still need to decide about a UHF backup radio. Mike Blenderman wonders if another Alinco is the way to go.
4. For August, Harold will ask NICK to do a presentation on our repeaters.
5. Bob talked about the new Power supply. Jim has components and James has Batteries. Justin can help Mike Blenderman carry the Batteries to our site.
6. Harold asked Lyn to do a proposal for the \$3000 to both the City and the County. Target 1 month to get it done.
7. Bob motioned we get two or more dipole antennas for next year instead of the Crank Up Beam. Justin 2nd and all approved.
8. Harold showed the DARC car door signs.
9. 8:03 PM Lyn motioned for adjournment, Harold 2nd and all approved.
